Dear Mr. DiLorenzo:

On April 11, 2002, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of the above referenced facility. The purpose of the inspection was to determine Portsmouth Chevrolet's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Portsmouth Chevrolet was issued Letter of Deficiency No. WMD 02-27 ("LoD"). Based upon a review of Portsmouth Chevrolet's submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Portsmouth Chevrolet's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Nancy Leland or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section, at (603) 271-2942. Thank you for your cooperation.

Sincerely,
